Forward Looking Statements

General: Drilling Tools International Corporation ("DTI") is making this presentation available in connection with the release of its financial results for the three months ended September 30, 2024. The information contained in this presentation does to be all-inclusive or to contain all information that prospective investors may require. Prospective investors are encouraged to conduct their own analysis and review of information contained in this presentation as well as important additional inform through the Securities and Exchange Commission's ("SEC") EDGAR system at www.sec.gov and on our website at www.sec.gov

Forward-Looking Statements: This presentation and the oral statements made in connection herewith include "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. DTI's actual Forward-looking statements. This presentation, estimates and projections, and, consequently, you should not rely on these forward-looking statements as predictions of future events. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intends," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "will," would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward looking, the statements include, but are not limited to, statements regarding DTI and its management team's expectations, hopes, beliefs, intentions or strategies regarding the future. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. Forward-looking statements include, for example, statements as predictions of the presentation may include, for example, statements and addition, any statements as predictions of the presentation of the demand of the presentation of the pr

Industry, Market Data and Partnerships: In this presentation, DTI relies on and refers to certain information and statistics regarding the markets and industries in which DTI competes. Such information and statistics are based on mana and/or obtained from third-party sources, including reports by market research firms and company filings. While DTI believes such third-party information is reliable, there can be no assurance as to the accuracy or completeness of the information provided by the third-party sources.

This presentation contains descriptions of certain key business partnerships of DTI. These descriptions are based on DTI's management team's discussion with such counterparties, certain non-binding written agreements and the latest available information and estimates as of the date of this presentation.

Use of Projections: This presentation contains projected financial information with respect to DTI. Such projected financial information in for illustrative purposes only and should not be relied upon as necessarily being indicative of future results. Further, illustrative purposes only and should not be relied upon as necessarily being indicative of future results. Further, illustrative purposes only. DTI's independent auditors have not audited, reviewed, compiled or performed any procedures with respect to the projections for the purpose of their inclusion in this presentation. The assumptions and estimates underlying such financial forecast information are inherently uncertain and are subject to a wide variety of significant business, economic, competitive and uncertainties. See "Forward-Looking Statements" above. Actual results may differ materially from the results contemplated by the financial forecast information contained in this presentation, and the inclusion of such information in this presentation is not intended, and should not be regarded, as a representation by any person that the results reflected in such forecasts will be achieved. Further, the metrics referenced in this presentation regarding select aspects of DTI's operations were selected by DTI on a subjective basis. Such metrics are provided solely for illustrative purposes to demonstrate elements of DTI's business, are incomplete and are not necessarily indicative of DTI's operations. There can be no assurance that historical trends will continue. Any investment in DTI's common stock entails a high degree of risk. No assurance can be given that investors will receive a return on their capital, and investors could lose part or all of their investment.

investment in DTTs common stock entails a high degree of risk, No assurance can be given that investors will receive a return on their capital, and investors could lose part or all of their investment.

Non-GAAP Financial Measures: This presentation includes certain financial measures not presented in accordance with gaAP and may exclude items that are significant in understanding and assessing DTTs financial results. Therefore, such financial measures may not be directly comparable to similarly titled measures of other companies. Further, these non-GAAP financial measures are not measures of financial performance in accordance with GAAP and may exclude items that are significant in understanding and assessing DTTs financial results. Therefore, these measures should not be considered in isolation or as an alternative to net income (loss), net cash, losed in) provided by operations detivities or other measures of portfability, iguidity or performance under GAAP. You should be aware that DTTs presentation of these measures may not be comparable to similarly titled measures used by other companies. DTI believes these non-GAAP measures provided by operations. DTI believes that the use of these non-GAAP financial measures provides an additional tool for investors to use in evaluating ongoing operating results and trends in DTI, and in comparing DTTs financial measures with those of other similar companies. DTI similarly titled measures to measure so where presented on each page of this presentation or to the tables herein for a reconciliation of these measures are an additional tool for investors to use in evaluating ongoing operating results and trends in DTI, and in comparing DTTs financial measures with those of other similar companies. DTI similarly titled measures are subject to inhere the exercise of judgment by management about which it there is one-GAAP financial measures with those of other similar companies, and additional tool for investors to use in evaluating one of the exercise of judgment by managemen

Trademarks: This presentation contains trademarks, service marks, trade names and copyrights of DTI and other companies, which are the property of their respective owners. Solely for convenience, some of the trademarks, service marks, trade names and copyrights referred to in this presentation may be listed without the TM, SM, © of 9 symbols, but DTI will assert, to the fullest extent under applicable law, the rights of the applicable owners, if any, to these trademarks, service marks, trade names and copyrights. Further, third-party logos included in this presentation may represent peats or present vendors uppliers of materials and/or products to DTI for use in connection with its business or may be provided simply for illustrative purposes only. Inclusion of such logos does not necessarily imply affiliation with or endorsement by such firms or businesses whose logos are included herein in the future.

DTI is a Leading Rental Provider of Mission Critical Drilling Tools

A platform developed and designed to keep up with ever-changing customer needs

~65,000+

DTI manages & maintains a fleet of approximately 65,000 rental tools and drilling equipment

Global

DTI has sales and distribution channels across North America, EMEA and APAC regions

~40 years

DTI's history began in 1984 with the founding of Directional Rentals, an equipment provider to offshore drillers

6 Product Lines

DTI's differentiated product lines include Directional Tool Rentals, Wellbore Optimization Tools, Premium Tools, Deep Casing Tools, PDC Tool Repair and Other Products

Broad Footprint

DTI operates from 16 service and support centers across North America and maintains 11 international service and support centers

Permian

DTI has extensive operations across the prolific Permian Basin

35,840 SF

DTI operates a 35,840 sq. ft. manufacturing & repair facility in Louisiana

\$152 Million

DTI's 2023 revenue reflects broad scope and scale

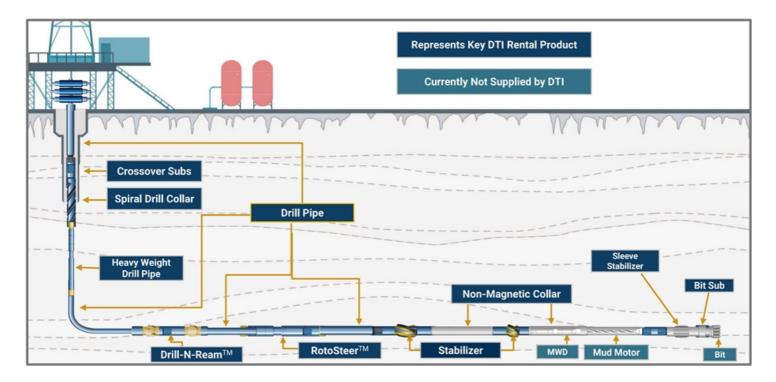

DRILLING TOOLS°

Expansive Offering to Supply Drilling Tools Required in a Typical Horizontal Job

Differentiated and extensive inventory of tools to address the wide-ranging needs of oil & gas customers across all regions

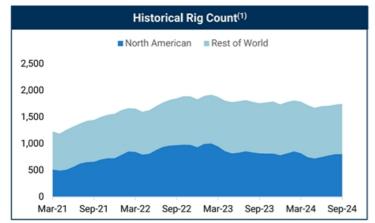

Significant Industry Tailwinds & Supportive Macro Backdrop

A combination of commodity prices, rig count and capital spending creates a highly constructive market backdrop

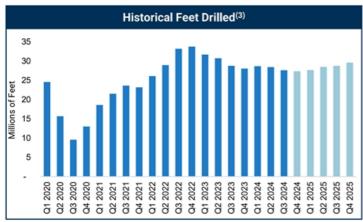

Drilling Tools Market to Grow from \$7.85 Billion in 2023 to \$11.01 Billion by 2029.

Demand for High-Performance Drilling Tools Soars as Oil and Gas Companies Reshaping the Market Expansion.

- Arizton Advisory and Intelligence

DRILLING TOOLS°

arket Report – Q3 2024. Only includes number of feet drilled through reservoir rock, excludes vertical part of well

2024 Financial Outlook

Delivering Adjusted Free Cash Flow Throughout The Cycle

DTI continues to execute its M&A strategy with ~5 near-term priority targets identified

- ✓ DTI expects a mostly stable rig count in North America for the rest of 2024, after a 20% decline in 2023
- ✓ FY 2024 guidance includes estimated contributions from Deep Casing Tools, Superior Drilling Products and European Drilling Projects

Key Guidance Summary

(\$ thousands)		FY 2024 Guidance						
Revenue	\$145,000	-	\$155,000					
Adjusted EBITDA ⁽¹⁾	\$38,000	-	\$43,000					
Adjusted Net Income ⁽¹⁾	\$7,700	-	\$9,800					
Adjusted Free Cash Flow(1)(2)	\$18,000	-	\$21,000

Peer Adj. Free Cash Flow Margin⁽¹⁾ Comparisons

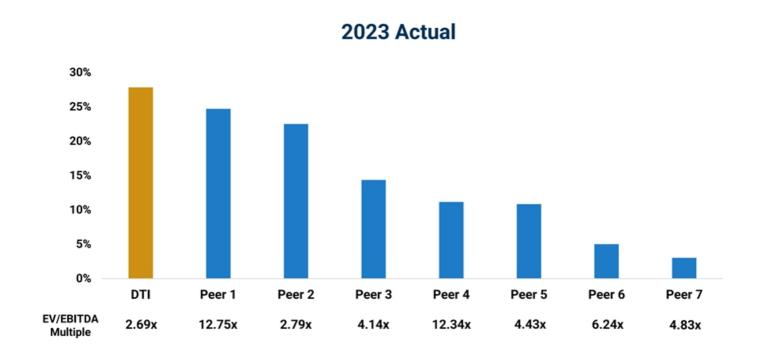

Tool recovery revenue, also known as lost or damaged equipment charges, allows DTI to sustain its fleet, maintain relevant tools and technology, and generate positive adjusted free cash flow throughout industry cycles.

DRILLING TOOLS°

r group includes BKR, BOOM, OIS, RES, RNGR, WHD, and XPRO
Adjusted Free Cash Flow Margin is defined as Adjusted EBITDA less Gross Capital Expenditures divided by Total Revenue
Uses midpoint of DTI's 2024 guidance and FY24 consensus estimates for peer group

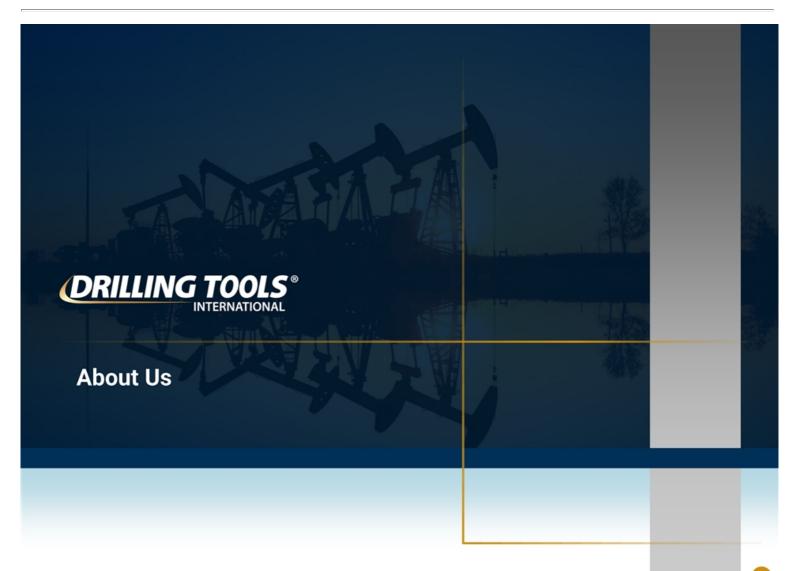

Peer Leading Return on Capital Employed (ROCE)

A Market Leader in Downhole Tools for the Oil & Gas Industry

A highly competitive suite of differentiated products

Core Product and Service Offering

61% of 2023 Revenue

- Rental tools used in bottom hole assemblies ("BHA") adjacent to the drill bit
- More than 30 categories of tools

17% of 2023 Revenue

- Drill-N-ReamTM, a proprietary and patented wellbore conditioning tool
- Emerging products in 2024 will include RotoSteer™

19% of 2023 Revenue

- Offers tubulars for drilling, workover and completion operations
- Complete inventory of necessary handling tools for running workstrings
- Blowout preventers and related pressure control accessories

Market Leading Tool Rental Share of over 50% within North American land drilling rigs.

A market leader in the deep-water Gulf of Mexico.

Expanding geographic opportunities in International market.

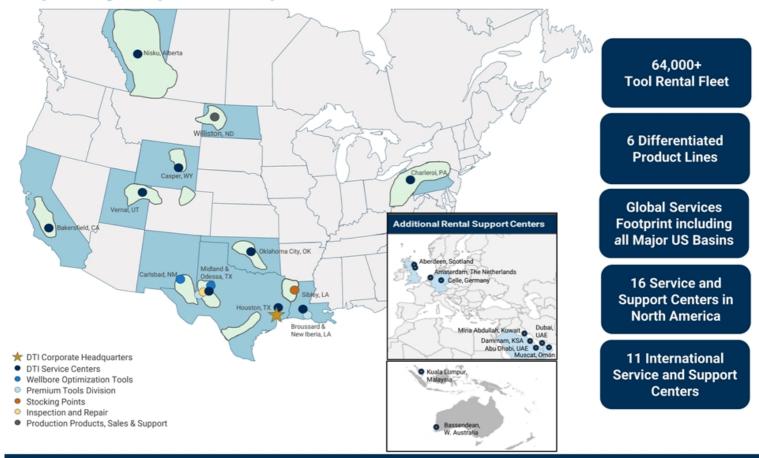

DRILLING TOOLS

Note: Other Products and Services account for remaining 3% of 2023 Revenue

Presence Across All Major Basins in North America

Expanding footprint in Europe, Middle East, North Africa & Asia

DRILLING TOOLS*

1) In addition to the International locations depicted on the map above, DTI also maintains a presence in Brazil, China, Italy, and Nigeria

Blue-Chip Customer Base Across E&Ps & OFS Companies

- ✓ First-call supplier for leading oilfield service providers in North America
- ✓ DTI has actively expanded its customer base to further diversify its customer mix

Executing Our Strategic Plan & Delivering Improved Results

DTI achievements since becoming a public company in June 2023

- Acquired Superior Drilling Products, Deep Casing Tools and European Drilling Projects
- Improved liquidity and strengthened the balance sheet by extending the ABL Credit
- Facility to \$80 million from \$60 million maturing in March 2029
- Revised 2024 Outlook represents meaningful year-over-year Adjusted Free Cash Flow improvement despite market softness and rig count declines
- Adjusted Free Cash Flow⁽¹⁾ expected to more than double in 2024

New term loan of \$25 million maturing in March 2029

Announced Acquisition of Titan Tools Services

DRILLING TOOLS°

Adjusted EBITDA and Adjusted Free Cash Flow are non-GAAP financial measures. See "Non-GAAP Financial Measures" in the appendix for reconciliations to the most directly comparable financial measures calculated and presented in accordance with U.S. generally accepted accounting principles ("GAAP").

Why Do Customers Rent Downhole Tools?

Complex drilling, completions, and workover programs lead most operators and service providers to focus on core competencies while preferring to rely on third-parties for rental tool support.

Operators prefer renting these tools to gain the benefits of:

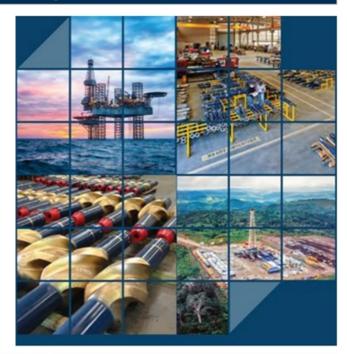

Outsources Logistics, Inspection, Storage & Maintenance

Eliminates Equipment Redeployment Risk

Immediate Equipment Availability

Fill Equipment Supply Gaps

Focus Capex
On Core Operations

Why rent from DTI?
Our Rental Offering Provides Customer Efficiency & Value-Additive Solutions

DRILLING TOOLS®

Key Operational Differentiators

Modern Manufacturing and Repair Facility

- Machine and repair equipment ensures product quality, increases product life and improves fleet utilization
- Ability to manufacture most of our rental tools enables cost reduction & control of supply chain

Raw Materials From Mill

DTI Manufacturing & Repair Facilities

Tools Added and/or Returned to Fleet

Tools Returned from Rental

Proprietary COMPASS* Order Management System

✓ COMPASS provides valuable information to DTI for making data-based capital allocation decisions

Unique, Proprietary Software and Support System Full Catalog of Tools and Equipment **Expedites Order Process Effective Pricing Controls**

Customized, Automated, Accurate Reporting Provides Customers Centralized Order Management Transaction Data Analyzed for Strategic Fleet Management

DRILLING TOOLS°

* Customer Order Management Portal And Support System

Organic Growth Drivers

- DTI scale, leveraging global footprint of distribution and sales channel
- Expanding scope of tools & services in existing product lines through technological advancements
- Further customer penetration, growing rentals due to expanded capabilities, new tools and services
- ✓ Growing customer base and gaining market share
- ✓ Favorable trend of longer laterals being drilled

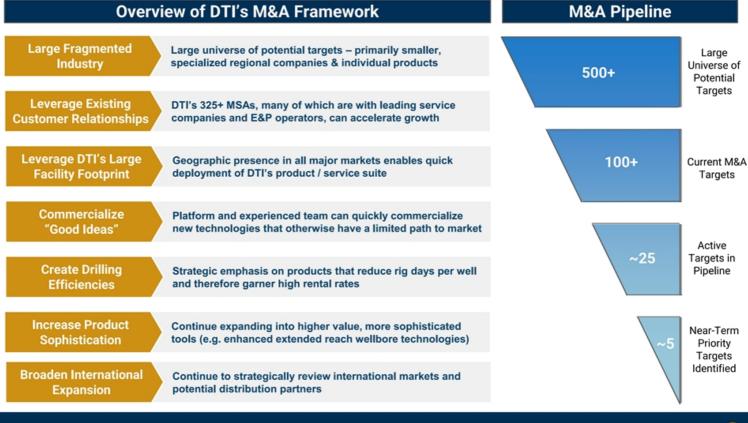

Proprietary Examples: RotoSteer[™] / Drill-N-Ream[™] / SafeFloat[™]

DRILLING TOOLS®

M&A Growth Strategy: Significant Consolidation Upside

Established framework and robust pipeline to strategically consolidate the oilfield service rental tool industry

DRILLING TOOLS®

Strategic Rationale: European Drilling Projects⁽¹⁾

- ✓ Enhances Technological Advancement & Global Expansion Efforts
 - Adds key personnel, industry expertise and customer relationships
 - Adds cutting-edge tools, such as the Fixedblade® stabilizer, to DTI's industry leading technology portfolio

100+ Current M& Targets

> ~25 Active Targets in Pipeline

Strategic Rationale: Titan Tools Services⁽²⁾

- Expands Global Reach in Downhole Tool Services
 - Enhances DTI's product offerings and technological capabilities
 - Strengthens DTI's presence in the North Sea, European and African markets

DRILLING TOOLS

1) European Drilling Projects merger closed on October 1, 2024 2) Titan Tools Services merger announced on October 31, 2024

Strategic Rationale: Superior Drilling Products

Enhances vertical integration of differentiated technology

- Cost savings on Drill-N-Ream[™] tool
- Synergies eliminates duplicative public company costs
- Adds significant precision manufacturing capacity

Enhances horizontal opportunities

- Expands DTI's intellectual property portfolio by over **10 patents**
- Will own global rights to Drill-N-Ream tool
- Accelerate Drill-N-Ream growth opportunities world-wide
- Entrance into drill bit re-manufacture and repair business

M&A Pipeline

500+

DRILLING TOOLS*

Superior Drilling Products merger closed on August 1, 2024

Priority Targets

Strategic Rationale: Deep Casing Tools

- Adds to DTI's technology platform
 - Expands intellectual property portfolio by over 60 patents
- ✓ Adds strong international customer relationships
 - ADNOC / ARAMCO / PEMEX / PETROBRAS / PETRONAS
- ✓ Accretive to DTI's earnings and Adj. Free Cash Flow profile
- ✓ Opportunity to expand Deep Casing products into N. America

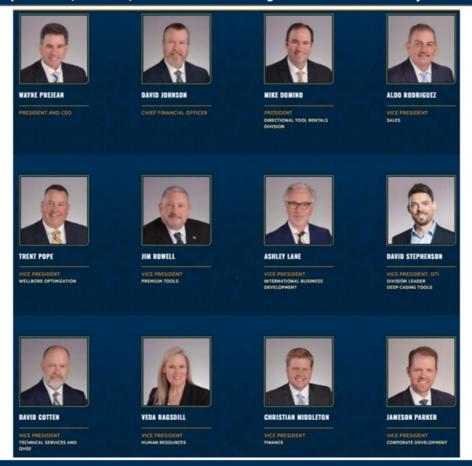

DRILLING TOOLS°

Deep Casing Tools merger closed on March 18, 2024

The DTI Leadership Team - Experience Matters!

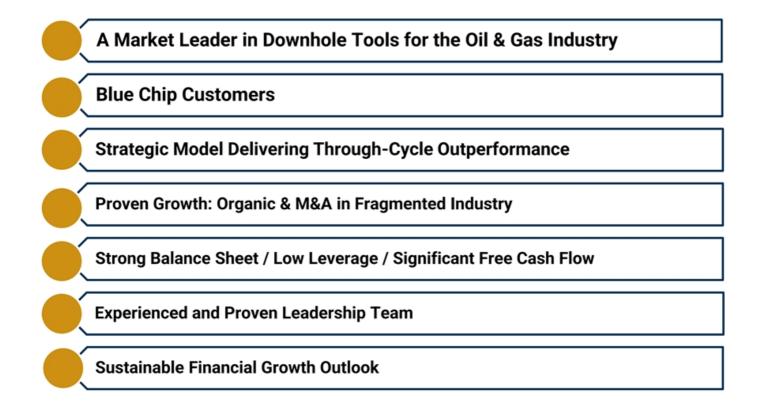

Experienced, talented, and committed management team with history of success

DTI's Differentiated Growth Strategy Creates a Compelling Investment Profile

DRILLING TOOLS*

ESG + Safety Are Integral to Our Success

DTI is committed to environmental stewardship

- ✓ Continuous evaluations and control measures to ensure minimization of waste
- Pursuing highest levels of operational proficiency to reduce rework, and use of chemicals and waste
- Actively promoting recycling including extensive rental tool recycling and refurbishment programs & opportunities to redeploy equipment for energy transition markets such as geothermal, carbon capture and storage

- Identify and control exposures to limit potential injury and production interruptions or damages
- Continual contributions to local community events, charities and employee activities

DTI's leadership is focused on deriving long-term value for all stakeholders by:

- ✓ Executive accountability through the election of an independent board⁽¹⁾
- √ Strong internal controls

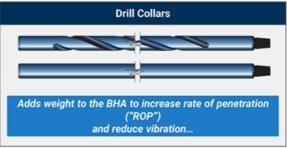

Overview of Directional Tool Rentals Key Equipment

DRILLING TOOLS*

Overview of Wellbore Optimization Tools

Specialty tools division with focused field sales and service professionals providing rig site visits and customer service, enabling consistent product performance and customer satisfaction

Products Offered

Drill-N-Ream[™] ("DNR") WellBore Conditioning Tool⁽¹⁾

- Patented technology allows the tool to maintain a market leading position
- · Numerous benefits to the customer
- Allows operators to extend length of wellbore at a lower cost

Substantial Improvements in Wellbore Quality

Emerging Technology "RotoSteerTM"

- 2023: Commercially launched
- Improves ROP, reduces torque and drag and eliminates slides
- Potential application for hundreds of wells annually

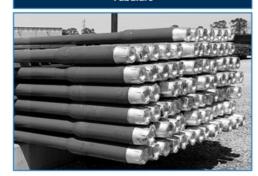

1) DTI distributes the Drill-N-Ream pursuant to a distribution agreement with Superior Drilling Products, Inc., the owner of the relevant patent.

Overview of Premium Tools Key Equipment

DTI offers a wide array of premium tubulars for drilling, workover and completion operations, API blowout preventers and pressure control accessories as well as a comprehensive suite of related handling tools

Tubulars

- Drill Pipe 2 ⁷/₈ to 5 ¹/₂ inch API bottleneck, slimhole, API, proprietary double shoulder-high torque connections
- Hevi-Wate Drill Pipe 3 ¹/₂ to 5 ¹/₂ inch API bottleneck, slim-hole, API, proprietary double shoulder-high torque connections
- Drill Collars 3 ¹/₈ to 9 ¹/₂ steel spiral and slick
- Kellys hex or square from 38 to 46 inch
- Pup Joints drill pipe and tubing
- Tubing premium PH-6, CS-8 and API 8Rd with thread from 2 ³/₈ to 4 ¹/₂

Handling Tools

- Stabbing Guides for tubing and drill pipe
- Drifts for all pipe sizes (Teflon, steel and aluminum)
- Rotary Slips for tubing, casing, drill pipe and drill collars
- . Safety Clamps for pipe and collars
- Manual Tongs K-25 to K-70 hand tongs and HT-200 manual rotary tongs
- Elevators slip grip, bottleneck and bushing types
- Subs TDS, wear, float, X-over, bit, lift and pumpins

API BOPs and Pressure Control Accessories

- Blowout Preventers 5M, 10M and 15M psi
- · Accumulators diesel, electric and air powered
- Hoses high pressure, fire retardant and steel flex
- · Spools spacers, adaptors and diverters
- Double Studded Adaptors
- Gate Valves manual, hydraulic and air actuated
- Chokes manual adjustable and fixed orifice
- Manifolds skid mounted custom buffers assembled to specification
- Flanged Accessories tees, crosses (flanged and studded)
- Stud Bolts B7M H₂S service
- Chicksan Iron loops, swivel joints and pups

DRILLING TOOLS®

Other Products and Services

Products Offered

Downhole Inspection Solutions

- Independent inspection services equipment of all DTI divisions and select external customers
- · Critical to efficient operations
- Services across North America including network of six domestic and one Canadian inspection facilities

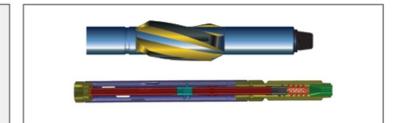

Internal Support Services and Emerging Products

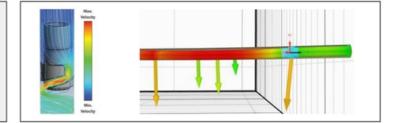

Product Sales

- · Made-to-order downhole drilling tools
- Completion and production Product Sales
- · Production desander tool operations
- Williston, ND manufacturing and distribution facility

Technical Services Group

- Sustaining engineering
- · Performance analysis
- · Product development
- · Technical support to quality assurance
